**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Customers need to have a choice in service providers. This ensures better products and competitive prices. The employees are encouraged to work harder and provide the best possible customer experience in order to retain their customers. Without having multiple providers, there is no way to guarantee this.
